

Senior Letters

Class of 2024

Dear MAST Family,

Graduation is an achievement that would not be possible without the support of parents, teachers, family members, and friends.

To celebrate this important milestone in the lives of our students, Student Activities kindly requests that family members and friends take a moment to write one or more uplifting letters to their seniors. These letters will be private, therefore only the graduate to whom your letter is addressed will be able to read the message.

Letters should be enclosed in a sealed envelope with the graduate's name clearly visible and turned into the Main Office from May 1st to May 15th. There will be a red drop off box located in that area for letter drop off.

The graduates will receive these letters a few days shy of graduation on their last days at school.

We encourage everyone to write at least one letter, since we feel it is important that every graduate receives a message from their loved ones.

Letters may also be mailed in but, we are not responsible for lost mail or late arrivals.
