

2018 RECYCLING ROADSTER GRASSROOTS

The Recycling Roadster is coming to MAST!

We are the first school in the U.S. to get a visit!

Thursday,

November 15th

All Day

The roadster best accommodates up to 25 students for 20-minute intervals at stations that engage participants in games and activities highlighting the importance of recycling.

Time slots are on a first come first serve basis!

Click <u>here</u> to sign your class up for a time slot!

Students who can't visit the roadster at school can see it with the food trucks starting at 4PM.
